

Note for Churchwardens

## CARING FOR GOD'S ACRE

Protecting wildlife, preserving heritage and involving communities.

This charity has, in part, filled the vacuum left by the demise of the Living Churchyard Project. I can thoroughly recommend the organisation to parishes who wish to protect and enhance the flora and fauna in their churchyards. Contact details: [www.caringforgodsacre.co.uk](http://www.caringforgodsacre.co.uk) email: [info@cfga.fsnet.co.uk](mailto:info@cfga.fsnet.co.uk)

I will be happy to answer queries.
