

Developing Dementia Friendly Gillingham (Information for church notices)

Gillingham churches are working with organisations supporting people with dementia to host an event at St Matthew's Church Wigmore on Saturday 16 April. This is an opportunity to find out about the support available in Gillingham and tell us about what else might help people with dementia to lead active lives in our community. Guests are welcome for just a few minutes, or longer, and there will be activities children will enjoy. Come along at any point between 11.00 am and 2.30 pm to St Matthew's Church, Drewery Drive, Wigmore ME8 0NZ. Refreshments and cakes will be served throughout, and soup over lunch. Join a one hour Dementia Friends session either at 11.30 or 1.15, and hear presentations from local people living with dementia.

There is no need to book a place, but if you would like to find out more, pick up a postcard, look at the poster at church, or contact Julia Burton-Jones at julia.burton-jones@rochester.anglican.org. Please help us spread the word by telling your neighbours and friends about the event.
