

FULL TIME DETACHED YOUTH WORKER

The Diocese of Rochester wishes to appoint an experienced youth worker who will assist in creating community cohesion and reducing anti-social behaviour in the Swanscombe Greenhithe and Ebbsfleet areas. This is an exciting opportunity to impact the lives of young people positively by bringing together those from the established communities and new neighbourhoods.

The successful applicant will demonstrate an innovative and creative approach to engaging young people and a track record of contributing to transforming young lives. The post requires a self-motivated, energetic and mature individual able to work with limited supervision.

This appointment is initially for 3 years and is subject to a satisfactory enhanced DBS disclosure.

Remuneration is between £23,445 - £25,194.

Applications should be returned by 24th September. Interviews will be on the 2nd October 2017.
