**St Peter & St Paul Parish Centre, Swanscombe**

*5 minutes beyond Bluewater Shopping Centre)*

In years gone by almost every church had a regular weekly prayer meeting. Nowadays, that is the exception rather than the rule. Have we lost confidence in God, or have we lost confidence in our own ability to pray? Do we look at those who attend prayer meetings as 'the keen ones' or those with 'a special gift' for prayer?

\* Do you think that other people are better at praying than you? \*Are you uncertain what to pray?  
\*Do you think that you need the 'right words' ? \*Do you wish that you had greater confidence to pray with others? \*Do you long to see greater prayerfulness in your church community?

If you have answered yes to any of these questions, then this course is for you.

Topics include: How we pray : What we pray : Unanswered prayer : Obstacles to prayer : Listening to God : Using Scripture in prayer.

Come alone or bring a friend. £10 for whole course.
