

Praying together – A course to encourage individuals to grow together in prayer – 25 April and 2, 9, 16 May 7.30pm

Over four Thursday evenings 25th April, 2nd, 9th, 16th May from 7.30 – 9.30pm the St Benedict's Centre is offering a course to encourage individuals to grow together in prayer led by Margaret Wooding Jones.

Margaret writes: In years gone by almost every church had a regular weekly prayer meeting. Nowadays, that is the exception rather than the rule. Have we lost confidence in God, or have we lost confidence in our own ability to pray? Do we look at those who attend prayer meetings as 'the keen ones' or those with 'a special gift' for prayer?

Do you think that other people are better at praying than you? Are you uncertain what to pray? This course will explore some of the confusion we have about prayer and look at some helpful Biblical patterns and practical responses.

Join us between 7.30 and 9.30pm. Hot drinks and biscuits provided. This course is being run on a donations basis with a suggested donation of £10 per session.
